State Representative

District 60

## Community Meeting Dates in House District 60

As your state representative, it is important that I hear from you. I have been meeting citizens at county fairs, festivals and numerous gatherings, but I want to meet with you personally in your community. This will give you and your fellow citizens the opportunity to share with me the issues which concern you most and to which I should be most attentive during the next legislative session.

Below are dates and locations of community meetings that will allow me to hear directly from you. All the meetings will begin at 7:00 p.m. Please come to one or as many as you like. If you have any questions or comments before the meeting, please contact me at 323-7978.

Hope to see you at a community meeting!

*Peggy Welch*

# Information stolen? *Act now!*

The Federal Trade Commission recommends that you take the following steps if your information is stolen.

File a police report immediately, and keep a copy in case your bank, credit card company or insurance company needs proof of the crime.

Cancel each credit card and get new cards with new account numbers.

Call the fraud departments of the three credit reporting agencies listed below, and ask them to put a fraud alert on your account. Also add a victim's statement to your file so that creditors will contact you before opening new accounts in your name.
